

## Materials Accepted Curbside

### Household Garbage Monday

- Picked up weekly.
- Bag materials and place in container provided to minimize roadside litter during pick up and transportation to the landfill.
- Materials may include:
  - ✓ food (if not composted),
  - ✓ small, loose materials (palm size or smaller)
  - ✓ plastic bags and plastic film (if not recycled at local stores)
  - ✓ styrofoam (if not recycled at Publix)
  - ✓ take out and other single-use food and beverage containers

### Recyclables Tuesday

- Picked up weekly
- Place all materials loosely in the container provided. **Do not bag materials** or put any plastic bags in the bin.
- Materials may include paper, cardboard, plastic containers, metal cans and glass bottles and jars.

### Yard Waste Wednesday

- Picked up weekly
- Place debris in bags, yard trash carts or containers. Limbs may be placed neatly stacked in piles away from obstructions.
- Materials may include any item produced in the yard including leaves, weeds, grass clippings, shrub clippings, straw, mulch, etc.
